

# Evan P. Nadler, MD, MBA

## 1) PERSONAL DATA

Name (First, Middle, Last)	Evan Paul Nadler
E-mail Address	evan.nadler@epnmd.com
Place of Birth	New York City
Citizenship	USA

## 2) EDUCATION

### Undergraduate:

1987-1991	Stanford University, Stanford, CA	B.S.
-----------	-----------------------------------	------

### Graduate:

1991-1995	University of Pennsylvania, Philadelphia, PA	M.D.
-----------	--	------

### Post-graduate:

1995-1996	New York Hospital, New York, NY	Intern (Surgery)
1996-1998	New York Hospital, New York, NY	Junior Resident (Surgery)
1998-2000	Children's Hospital of Pittsburgh, Pittsburgh, PA	Research Fellow (Pediatric Surgery)
2000-2001	New York Hospital, New York, NY	Senior Resident (Surgery)
2001-2002	New York Hospital, New York, NY	Administrative Chief Resident (Surgery)
2002-2004	Children's Hospital of Pittsburgh, Pittsburgh, PA	Clinical Fellow (Pediatric Surgery)
2008-2009	New York University, New York, NY	Master of Science (Clinical Investigation)
2016-2019	George Washington University	Master of Business Administration

## 3) EMPLOYMENT

1998-2000	Children's Hospital of Pittsburgh, Pittsburgh, PA	Research Fellow (Pediatric Surgery)
2004-2009	New York University School of Medicine	Attending Pediatric Surgeon
09/2009-07/2023	Children's National Hospital, Washington, DC	Attending Pediatric Surgeon

### Faculty Appointments

2004-2009 Assistant Professor of Surgery at New York University School of Medicine

05/01/2010-Present Associate Professor (with Tenure 7/1/2016) in Surgery, Pediatrics, and Genomics and Precision Medicine at The George Washington University School of Medicine and Health Sciences, Washington, DC

4) **SCHOLARLY PUBLICATIONS-** \* indicates mentees

a) Papers in Refereed Journals

1. Heslin MJ, Lewis JJ, **Nadler EP**, Newman E, Woodruff JM, Casper ES, et. al. Prognostic Factors Associated with Long-Term Survival for Retroperitoneal Sarcoma: Implications for Management. *J Clin Oncol*. 1997;15(8):2832-2839. doi:10.1200/JCO.1997.15.8.2832.

## 5) PRESENTATIONS

### a) Regional Presentations:

1. **Nadler EP**, Gardner M, Ford HR. Management of Blunt Pancreatic Injury in Children. Oral Presentation at: The American College of Surgeons, Pennsylvania Committee on Trauma; November, 1998; Philadelphia, PA.
2. **Nadler EP**, Courcoulas AP, Gardner MJ, Ford HR. The Epidemiology of Driveway Injuries in Children. Oral Presentation at: The American College of Surgeons, Pennsylvania Committee on Trauma; November, 1999; Philadelphia, PA.
3. Ferrante S, **Nadler EP**, Wang Z, Hubal M, Pillai D, Sevilla S, Wiles A, Anderson J, Freishtat RJ. Adipocyte Exosomal miRNAs May Mediate the Effects of Obesity on Lung Disease. Oral Presentation at: The American Federation for Medical Research Eastern Regional Meeting; April, 2013; Washington, DC.
4. Pillai D, Wang J, Ferrante SC, Mubeen H, Koeck E, Wiles A, Wang Z, Sevilla S, **Nadler EP**, Hubal MJ, Freishtat RJ. Adipocyte Exosomal miRNA Regulate A549 Lung Epithelial Gene Expression in a Dose-Dependent Manner. Oral Presentation at: The American Federation for Medical Research Eastern Regional Meeting; April, 2014; Washington, DC.
5. Siegart NM, Reiss AB, De Leon J, Voloshyna I, Barlev A, Salama M, Ferrante S, **Nadler EP**, Freishtat RJ. Adipocyte-Derived Exosomes from Obese Subjects have Atherogenic Effects on Cholesterol Efflux in THP-1 Human Macrophages. Oral Presentation at: The American Federation for Medical Research Eastern Regional Meeting; April 2017; Washington, DC.
6. Epstein, SB, Ghose S, Harmon B, **Nadler EP**, Barberio MD, Goldberg, M, Maltz L, Freishtat RJ. TGF-B Genes in Obese Asthmatics have Altered Expression Profiles Compared to Lean Asthmatics. Oral Presentation at: The American Federation for Medical Research Eastern Regional Meeting; April 2017; Washington, DC.
7. Barberio MD, Epstein, SB, Maltz L, Thelus JM, **Nadler EP**, Freishtat RJ. Adipocyte-Derived Exosomal MicroRNAs from Visceral Adipose Tissue and Urine Correlate to Glycated Hemoglobin. Oral Presentation at: The American Federation for Medical Research Eastern Regional Meeting; April 2017; Washington, DC.

### b) **National Presentations:**

1. Mallow EB, **Nadler EP**, Milner R, Hebra A, Chiavacci R, Lewis H, Lyons S, Wagner M, Stafford PW, Polin RA. Congenital Diaphragmatic Hernia: A Review of the Cases since the Inception of ECMO. Oral Presentation at: The 11<sup>th</sup> Annual Children's National Medical Center Symposium; February, 1995; Washington, DC.
2. Mallow EB, **Nadler EP**, Milner R, Hebra A, Chiavacci R, Lewis H, Lyons S, Wagner M, Stafford PW, Polin RA. Prognostic Variables in Infants with Congenital Diaphragmatic Hernia. Oral Presentation at: The 64<sup>th</sup> Annual Meeting of the Society for Pediatric Research; May, 1995; San Diego, CA.

3. Heslin MJ, Lewis JJ, **Nadler EP**, Newman E, Woodruff JM, Casper ES, Leung D, Brennan MF. Prognostic Factors Associated with Long-Term Survival for Retroperitoneal Sarcoma: Implications for Management. Oral Presentation at: The Society of Surgical Oncologists; March, 1996;.
4. Zhou X, Zhang X, Upperman J, **Nadler EP**, Ford HR. *Salmonella typhimurium* Induces Apoptosis in Human Monocyte-Derived Macrophages via a Caspase-1 and Caspase-3 Dependent Pathway. Oral Presentation at: The American Society for Microbiology; April, 1999; Chicago, IL.
5. **Nadler EP**, Dickinson E, Parizhskaya M, Watkins S, Ford HR. Delayed Administration of a Novel Nitric Oxide (NO) Scavenger, NOX Prevents Hepatocellular Injury after Endotoxemia. Oral Presentation at: The American Pediatric Surgical Association 30<sup>th</sup> Annual Meeting; May, 1999; Rancho Mirage, CA.
6. Glick R, **Nadler EP**, LaQuaglia MP. Left Hepatic Trisegmentectomy in Childhood. Oral Presentation at: The American Pediatric Surgical Association 30<sup>th</sup> Annual Meeting; May, 1999; Rancho Mirage, CA.
7. **Nadler EP**, Zhou X, Wong C, Boyle P, Chen Y, Ford HR. Mechanism of Cross-Species Protection Against Bacterial Translocation in Neonatal Rabbits by Human Breast Milk. Oral Presentation at: The 51<sup>st</sup> Annual Meeting of the American Academy of Pediatrics - Section on Surgery; October, 1999; Washington, DC.
8. **Nadler EP**, Alber S, Beer-Stolz D, Watkins SC, Upperman JS, Ford HR. Lisofylline Reduces Bacterial Translocation (BT) after LPS Challenge *In Vivo* by Preventing Enterocyte Apoptosis. Oral Presentation at: The 85<sup>th</sup> Clinical Congress of the American College of Surgeons; October, 1999; San Francisco, CA.
9. Upperman JS, **Nadler EP**, Hoffman R, Bombeck C, Beer-Stolz D, Zhang XR, Ford HR. Peroxynitrite Induces Enterocyte Apoptosis *In Vitro* by Modulating Mitochondrial Membrane Potential and PARS Cleavage. Oral Presentation at: The 85<sup>th</sup> Clinical Congress of the American College of Surgeons; October, 1999; San Francisco, CA.
10. **Nadler EP**, Upperman JS, Ford HR. Lisofylline Protects IEC-6 Cells Against Cytokine-Induced Apoptosis Independent of Nitric Oxide (NO) Production. Oral Presentation at: The 33<sup>rd</sup> Annual Meeting of the Association for Academic Surgery; November, 1999; Jacksonville, FL.
11. **Nadler EP**, Wong J, Wong C, Alber S, Watkins SC, Ford HR. *Bax* Upregulation is an Early Event in LPS-Induced Enterocyte Apoptosis *In Vivo*. Oral Presentation at: The 42<sup>nd</sup> Annual Surgical Resident's Conference at the 61<sup>st</sup> Annual Meeting of the Society of University Surgeons; February, 2000; Toronto, Canada.
12. Potoka DA, **Nadler EP**, Upperman JS, Ford HR. Inhibition of NF- $\kappa$ B by I- $\kappa$ B Prevents Cytokine-Induced NO Production and Promotes Enterocyte Apoptosis *In Vitro*. Oral Presentation at: The 20<sup>th</sup> Annual Meeting of the Surgical Infection Society; April, 2000; Providence, RI.
13. **Nadler EP**, Wong J, Wong C, Boyle P, Alber S, Watkins SC, Ford HR. *Bax* Upregulation is an Early Event in LPS-Induced Enterocyte Apoptosis *In Vivo*. Oral Presentation at: The 20<sup>th</sup> Annual Meeting of the Surgical Infection Society; April, 2000; Providence, RI
14. Stanford A, **Nadler EP**, Zhang XR, Ford HR. GTP-Cyclohydrolase and Cytokine Gene Expression in NEC. Oral Presentation at: The 10<sup>th</sup> Annual Meeting of the Society of Black Academic Surgeons; April, 2000; Los Angeles, CA.

15. **Nadler EP**, Stanford A, Zhang XR, Upperman JS, Ford HR. IL-11 is Upregulated in Human NEC. Oral Presentation at: The 10<sup>th</sup> Annual Meeting of the Society of Black Academic Surgeons; April, 2000; Los Angeles, CA.
16. Zhou X, **Nadler EP**, Zhang XR, Boyle P, Ford HR. *Salmonella typhimurium* Infection in Inducible Nitric Oxide Synthase Knockout Mice. Oral Presentation at: The American Society for Microbiology; May, 2000; Los Angeles, CA.
17. Barksdale EM, **Nadler EP**, Dilorenzo C, Griffith J. Anal Achalasia: A Cause of Refractory Functional Constipation. Oral Presentation at: The American Pediatric Surgical Association 31<sup>st</sup> Annual Meeting; May, 2000; Orlando, FL.
18. **Nadler EP**, Schuchert VD, Alber S, Ford HR. Inducible Nitric Oxide Synthase is Required for Enterocyte Apoptosis After Hemorrhagic Shock. Oral Presentation at: The 23<sup>rd</sup> Annual Conference on Shock; June, 2000; Snowbird, Utah.
19. **Nadler EP**, Stanford A, Zhang XR, Schall LC, Ford HR. Intestinal IL-11 mRNA Expression Inversely Correlates with Severity of Bowel Injury in Infants with Necrotizing Enterocolitis (NEC). Oral Presentation at: The 52<sup>nd</sup> Annual Meeting of the American Academy of Pediatrics - Section on Surgery; October, 2000; Chicago, IL,
20. Boyle P, **Nadler EP**, Dilorenzo C, Barksdale EM, Ford HR. Newborn Endothelin Receptor Type-B Mutant (Piebald) Mice have a Higher Resting Anal Sphincter Pressure than Newborn C57/BL6 Mice. Oral Presentation at: The 51<sup>st</sup> American Association for Laboratory Animal Science National Meeting; November, 2000; San Diego, CA.
21. Potoka DA, **Nadler EP**, Wong CT, Upperman JS, Ford HR. NF- $\kappa$ B Inhibition Enhances Peroxynitrite (OONO<sup>-</sup>)-Induced Enterocyte Apoptosis. Oral Presentation at: The 34<sup>th</sup> Annual Meeting of the Association for Academic Surgery; November, 2000; Tampa, FL.
22. **Nadler EP**, Dravium R, Remy T, Dickman P, Ford HR. Inducible Nitric Oxide Synthase (iNOS) is Upregulated in Favorable Histology but not Anaplastic Wilms' Tumors. Oral Presentation at: The American Pediatric Surgical Association 32<sup>nd</sup> Annual Meeting; May, 2001; Naples, FL.
23. Potoka DA, **Nadler EP**, Boyle P, Wong C, Zhang X-R, Zamora R, Ford HR. Nitric Oxide Mediates Enterocyte Apoptosis in Experimental NEC By Upregulating Caspase Activity and *BAD* Protein Expression. Oral Presentation at: The 87<sup>th</sup> Clinical Congress of the American College of Surgeons, Surgical Forum; October, 2001; New Orleans, LA.
24. Potoka DA, **Nadler EP**, Stanford A, Boyle P, Wong C, Zamora R, Upperman JS, Ford HR. Cyclooxygenase-2 Expression Attenuates Intestinal Inflammation in Experimental Necrotizing Enterocolitis. Oral Presentation at: The Association for Academic Surgery 35<sup>th</sup> Annual Meeting; November, 2001; Milwaukee, WI.
25. **Nadler EP**, Cassidy LC, Ford HR. Abused Children have Higher Mortality Rates than Similarly Injured Non-Abused Children. Oral Presentation at: The 54<sup>th</sup> Annual Meeting of the American Academy of Pediatrics - Section on Injury and Poison Prevention; October, 2002; Boston, MA.

26. **Nadler EP**, Baird C, Hackam DJ, Nwomeh BC, Stanford A, Miller KA, Wiener ES, Ford HR, Gaines BA. ECMO for the Treatment of a Severe Traumatic Myocardial Contusion in a Six-Year Old Boy. Oral Presentation at: The 19<sup>th</sup> Annual CNMC Symposium: ECMO and Advanced Therapies for Respiratory Failure; February, 2003; Keystone, CO.
27. Nwomeh BC, **Nadler EP**, Meza M, Ford HR. Contrast Extravasation Predicts the need for Operative Intervention in Children with Blunt Splenic Trauma. Oral Presentation at: The 13<sup>th</sup> Annual Meeting of the Society of Black Academic Surgeons; April, 2003; Birmingham, AL.
28. **Nadler EP**, Reblock KK, Ford HR, Gaines BA. Monotherapy versus Multi-Drug Therapy for the Treatment of Perforated Appendicitis in Children. Oral Presentation at: The 23<sup>rd</sup> Annual Meeting of the Surgical Infection Society; April, 2003; San Antonio, TX.
29. Nwomeh BC, **Nadler EP**, Meza M, Ford HR. Contrast Extravasation Predicts the Need for Operative Intervention in Children with Blunt Splenic Trauma. Oral Presentation at: The American Association for the Surgery of Trauma; September 2003; Minneapolis, MI.
30. Dice JE, **Nadler EP**, McGhee HW, DiLorenzo C, Kane TD. Successful Treatment of Acute Colonic Pseudo-Obstruction with Neostigmine In a Child. Oral Presentation at: The 12<sup>th</sup> Annual Pediatric Pharmacy Advocacy Group Conference; October, 2003; Dana Point, CA.
31. **Nadler EP**, Schultz B, Morrison K, Ford HR. The High Morbidity Associated with Handlebar Injuries in Children. Oral Presentation at: The 55<sup>th</sup> Annual Meeting of the American Academy of Pediatrics - Section on Injury and Poison Prevention; November, 2003; New Orleans, LA.
32. **Nadler EP**, Zuckerbraun BS, Otterbein LE, Billiar TR, Kanno S. Inhaled Carbon Monoxide Abrogates Pulmonary Hypertension. Oral Presentation at: The Association for Academic Surgery 37<sup>th</sup> Annual Meeting; November, 2003; Sacramento, CA.
33. **Nadler EP**, Reblock KK, Ford HR, Gaines BA. Predictors of Outcome for Children with Perforated Appendicitis Treated Non-operatively. Oral Presentation at: The 24<sup>th</sup> Annual Meeting of the Surgical Infection Society; April, 2004; Indianapolis, IN.
34. **Nadler EP**, Reblock KK, Qureshi FG, Hackam DJ, Gaines BA, Kane TD. The Utility of Laparoscopic Appendectomy in Children with Perforated Appendicitis. Oral Presentation at: The 13<sup>th</sup> Annual Congress for Endosurgery in Children; May, 2004; Maui, HI.
35. Qureshi FG, Ergun O, Sandulache VC, **Nadler EP**, Ford HR, Hackam DJ, Kane TD. Is Laparoscopic Splenectomy in Children Advantageous? Oral Presentation at: The 13<sup>th</sup> Annual Congress for Endosurgery in Children; May, 2004; Maui, HI.
36. **Nadler EP**, Kane TD. Thoracoscopic Inonimate Artery Pexy. Oral Presentation at: The American Pediatric Surgical Association 35<sup>th</sup> Annual Meeting, Video Presentation; May, 2004; Ponte Verda, FL.
37. **Nadler EP**, Ford HR. Thoracoscopic Diaphragmatic Plication in a 6-Month Old. Oral Presentation at: The 91<sup>st</sup> Clinical Congress of the American College of Surgeons, Video-based Education Program; October, 2005; San Francisco, CA.
38. **Nadler EP**, Ginsburg HB. The Impact of Adding an MIS Pediatric Surgeon to an Established Practice. Oral Presentation at: The 15<sup>th</sup> Annual Congress for Endosurgery in Children; April, 2006; Dallas, TX.

39. **Nadler EP**, Youn HA, Ginsburg HB, Ren CJ, Fielding GA. Short-term Results in 53 U.S. Obese Pediatric Patients Treated with Laparoscopic Adjustable Gastric Banding. Oral Presentation at: The American Pediatric Surgical Association 37<sup>th</sup> Annual Meeting; May, 2006; Hilton Head, SC.
40. \*Patterson D, \*Sultan S, **Nadler EP**. Hepatic Fibrosis in Experimental Biliary Atresia is Associated with Increased Integrin Alpha-V, Beta-6 Expression. Oral Presentation at: The 2<sup>nd</sup> Academic Surgical Congress; February, 2007; Phoenix, AZ.
41. **Nadler EP**, Youn HA, Ren CJ, Fielding GA. An Update on 73 US Obese Pediatric Patients Treated with Laparoscopic Adjustable Gastric Banding: Co-morbidity and Compliance Data. Oral Presentation at: The American Pediatric Surgical Association 38<sup>th</sup> Annual Meeting; May, 2007; Orlando, FL.
42. \*Patterson D, Violette S, Weinreb P, Lewis M, Magid MS, Greco, MA, **Nadler EP**. Integrin Alpha-V, Beta-6 Expression is Upregulated in the Proliferating Bile Ducts of Children with Biliary Atresia. Oral Presentation at: The American Pediatric Surgical Association 38<sup>th</sup> Annual Meeting; May, 2007; Orlando, FL.
43. \*Patterson D, **Nadler EP**. The Extracellular Matrix Degradation Inhibitors TIMP-1 and PAI-1 are Upregulated in Experimental Biliary Atresia. Oral Presentation at: The American Pediatric Surgical Association 38<sup>th</sup> Annual Meeting; May, 2007; Orlando, FL.
44. Mintzer JP, **Nadler EP**, Fierman AH, Rauch DA. RLQ Pain Long After an Appendectomy. Oral Presentation at: The Society of Hospital Medicine Annual Meeting; May, 2007; Dallas, TX.
45. \*Reddy S, Peck V, Ren CJ, Fielding GA, **Nadler EP**. Laparoscopic Adjustable Gastric Banding in Obese Adolescents Results in Android Fat Loss and Resolution of Co-morbid Conditions. Oral Presentation at: The 93<sup>rd</sup> Clinical Congress of the American College of Surgeons; October, 2007; New Orleans, LA.
46. \*Reddy S, Isenalumhe A, Peck V, Ren CJ, Fielding GA, **Nadler EP**. Laparoscopic Adjustable Gastric Banding for Morbidly Obese Adolescents Effects Weight Loss without Impacting Bone Maturation. Oral Presentation at: The 59<sup>th</sup> Annual Meeting of the American Academy of Pediatrics - Section on Surgery; October, 2007; San Francisco, CA.
47. **Nadler EP**, Vazzana A, Youn HA, Ren CJ, Fielding GA. Laparoscopic Adjustable Gastric Banding for Morbidly Obese Adolescents Results in Reduction of Hunger, Increase in Restraint, and Overall Patient Satisfaction. Oral Presentation at: The 59<sup>th</sup> Annual Meeting of the American Academy of Pediatrics - Section on Surgery; October, 2007; San Francisco, CA.
48. \*Utidjian L, Mintner RM, Ren CJ, Fielding GA, **Nadler EP**. Dynamic Bayesian Network Analysis Predicts Resolution of Dyspnea and Obstructive Sleep Apnea after LAGB in Morbidly Obese Adolescents. Oral Presentation at: The 3<sup>rd</sup> Academic Surgical Congress; February, 2008; Fort Myers, FL.
49. \*Stamell E, \*Schlager A, \*Ezon I, \*Zilbert N, Ginsburg HB, **Nadler EP**. Primary Language Spoken Impacts Perforation Rate in Children with Appendicitis at an Urban Public Hospital. Oral Presentation at: The 3<sup>rd</sup> Academic Surgical Congress; February, 2008; Fort Myers, FL.

50. \*Zilbert N, \*Ezon I, \*Stamell E, \*Schlager A, Ginsburg HB, **Nadler EP**. Length of Stay for Children with Acute Appendicitis Differs by Hospital Type. Oral Presentation at: The 3<sup>rd</sup> Academic Surgical Congress; February, 2008; Fort Myers, FL.
51. \*Schlager A, \*Zilbert N, \*Ezon I, \*Stamell E, **Nadler EP**. Laparoscopic Appendectomy for Children with Acute Appendicitis is Equally Safe and Effective Despite Hospital Type. Oral Presentation at: The Society of Gastrointestinal and Endoscopic Surgeons Annual Meeting; April, 2008; Philadelphia, PA.
52. \*Finkelstein J, \*Stamell E, \*Zilbert N, Ginsburg HB, **Nadler EP**. Health Care Disparities in Infants: Pyloric Stenosis Outcomes Stratified by Socioeconomic Status. Oral Presentation at: The 4<sup>th</sup> Academic Surgical Congress; February, 2009; Fort Myers, FL.
53. Vazzana A, Youn HA, Ren CJ, Fielding GA, **Nadler EP**. Behavioral and Social-Emotional Outcomes in Morbidly Obese Adolescents after Laparoscopic Adjustable Gastric Banding. Oral Presentation at: The 4<sup>th</sup> Academic Surgical Congress; February, 2009; Fort Myers, FL.
54. **Nadler EP**, Li X, Greco MA. Differential Expression of Mediators of Hepatic Fibrosis in Sick and Spontaneously Recovered Mice after Experimental Biliary Atresia. Oral Presentation at: The 4<sup>th</sup> Academic Surgical Congress; February, 2009; Fort Myers, FL.
55. **Nadler EP**, Nwomeh BC. Academic Needs in Developing Countries: A Survey of the West African College of Surgeons. Oral Presentation at: The 4<sup>th</sup> Academic Surgical Congress; February, 2009; Fort Myers, FL.
56. **Nadler EP**, Parikh M. Laparoscopic Sleeve Gastrectomy for the Treatment of a Morbidly Obese Adolescent. Oral Presentation at: The American Pediatric Surgical Association 40<sup>th</sup> Annual Meeting. Video Presentation; May 2009; Fajardo, Puerto Rico.
57. Onyedika E, Li X, Greco MA, **Nadler EP**. Hepatic Stellate Cell Activation is Associated with Progressive Fibrosis in Experimental Biliary Atresia. Oral Presentation at: The 95<sup>th</sup> Clinical Congress of the American College of Surgeons; October 2009; Chicago, IL.
58. **Nadler EP**, Krishnaswami S, Brundage SI, Kim LT, Kingham TP, Olutoye OO, Nwariaku F, Nwomeh BC. Assessing the Efficacy of the Fundamentals of Research and Career Development Course Overseas. Oral Presentation at: The 5<sup>th</sup> Academic Surgical Congress; February, 2010; San Antonio, TX.
59. Keibel LR, **Nadler EP**, Sandler AD, Calicott S, Qureshi FG. Utilizing Business Intelligence Tools to Evaluate Perioperative Pediatric Surgery Performance and Costs. Oral Presentation at: The 6<sup>th</sup> Academic Surgical Congress; February, 2011; Huntington Beach, CA.
60. \*Solomon ZF, **Nadler EP**. Missed Opportunities: Adolescents Candidates for Bariatric Surgery Undergoing Cholecystectomy. Oral Presentation at: The 6<sup>th</sup> Academic Surgical Congress; February, 2011; Huntington Beach, CA.
61. Lamoshi A, **Nadler EP**, Nwomeh BC, Krishnaswami S. Burnout among Surgeons in the Developing World: A Pilot Study for the AAS West African Course. Oral Presentation at: The 6<sup>th</sup> Academic Surgical Congress; February, 2011; Huntington Beach, CA.

62. \*Solomon ZF, Shah RK, **Nadler EP**. Obese Adolescents Undergoing Adenotonsillectomy: Opportunity for Change in Practice? Oral Presentation at: The 6<sup>th</sup> Academic Surgical Congress; February, 2011; Huntington Beach, CA.
63. Blanco FC, Choi P, Qureshi FG, Sandler AD, **Nadler EP**. Increased Incidence of Perforated Appendicitis in Obese Children. Oral Presentation at: The 31<sup>st</sup> Annual Meeting of the Surgical Infection Society; May, 2011; Palm Beach, FL.
64. Blanco FC, Davenport KP, **Nadler EP**, Sandler AD. The Effect of Adopting a Clinical Pathway for the Management of Pediatric Appendicitis and Comparison to the Pediatric Health Information System Database. Oral Presentation at: The 31<sup>st</sup> Annual Meeting of the Surgical Infection Society; May, 2011; Palm Beach, FL.
65. Iordanskaia T, Hubal M, **Nadler EP**. Upregulation of Upstream and Downstream TGF-beta Transcripts in Livers of Children with Biliary Atresia and Fibrogenic Gene Signatures. Oral Presentation at: The 97<sup>th</sup> Clinical Congress of the American College of Surgeons; October, 2011; San Francisco, CA.
66. **Nadler EP**, Barefoot LC, Qureshi FG. Early Results After Laparoscopic Sleeve Gastrectomy in Adolescents with Morbid Obesity. Oral Presentation at: The 7<sup>th</sup> Academic Surgical Congress; February, 2012; Las Vegas, NV.
67. \*Davenport KP, Qureshi FG, Barefoot LC, Davidow D, **Nadler EP**. Inpatient Weight Loss as a Precursor to Bariatric Surgery for Adolescents with Extreme Obesity. Oral Presentation at: The Society of Gastrointestinal and Endoscopic Surgeons Annual Meeting; March, 2012; San Diego, CA.
68. He D, **Nadler EP**, Moak JP, Jonas RA, Nath DS. Left Thorascopic Sympathectomy as Primary Therapy for a Young Child with Intractable Long QT Syndrome. Oral Presentation at: The Third Joint Meeting of the Congenital Heart Surgeons' Society & European Congenital Heart Surgeons Association, Video Presentation; September, 2012; Chicago, IL.
69. \*Koeck ES, Iordanskaia T, Devadason C, Rossi C, Anders R, Schwarz K, **Nadler EP**. Integrin Beta-8, but not Beta-5 or -6, protein expression is increased in livers of children with biliary atresia. Oral Presentation at: The 27<sup>th</sup> Annual Meeting of the North American Society for Pediatric Gastroenterology, Hepatology, and Nutrition; October, 2012; Salt Lake City, Utah.
70. \*Koeck ES, Barefoot LC, Owens JA, Qureshi FG, **Nadler EP**. Weight but not Symptomology Predicts Sleep Apnea in Morbidly Obese Adolescents Undergoing Bariatric Surgery. Oral Presentation at: The 8<sup>th</sup> Academic Surgical Congress; February, 2013; New Orleans, LA.
71. Hubal MJ, **Nadler EP**, Hoffman EP, Barakat H, Robidoux J. Integration of Global Methylation and Gene Expression in Obese vs. Lean Human Adipose. Oral Presentation at: The American College of Sports Medicine Annual Meeting; May, 2013; Indianapolis, IN.
72. Romirowsky, AM, **Nadler, EP**, Barefoot, L, Tolep, M, Mackey, ER. Using Psychosocial Indicators to Predict Weight Loss and to Inform Psychological Treatment in the Adolescent Bariatric Surgery Process. Oral Presentation at: The American Psychological Association; August, 2013; Honolulu, HI.
73. Iordanskaia T, \*Koeck E, Bukrinsky M, **Nadler EP**. MM284 Treatment Ameliorates Experimental Biliary Atresia via Inhibition of SMAD2 Phosphorylation and Down Regulation of Timp-4 and MMP-7

mRNA Expression. Oral Presentation at: The 99<sup>th</sup> Clinical Congress of the American College of Surgeons; October, 2013; Washington, DC.

74. **Nadler EP**, Ferrante S, Freishtat RJ, Sevilla S, \*Koeck E, Wang Z, Pillai D, Hubal MJ. Ethnic Differences in Adipocyte-derived Exosomes. Oral Presentation at: The Obesity Society Annual Meeting; November, 2013; Atlanta, GA.
75. Hubal MJ, Freishtat RJ, Ferrante S, Pillai D, Sevilla S, Wang Z, \*Koeck E, **Nadler EP**. Adipocyte-derived Exosomal miRNAs Associated with Body Mass Index in Adolescents. Oral Presentation at: The Obesity Society Annual Meeting; November, 2013; Atlanta, GA.
76. Mackey EM, Mintz-Romirowsky A, Elliott C, **Nadler EP**. Associations of Anxiety, Binge Eating Behaviors, and Weight Loss in Adolescents Undergoing Sleeve Gastrectomy. Oral Presentation at: The Society of Pediatric Psychology Annual Conference; March, 2014.
77. Duan C, Safdar N, **Nadler EP**, Liu J, Summers RM, Linguraru MG. CT-based Adipose Volume Measurements and Associations with Body Mass Index and Clinical Observations. Oral Presentation at: The Society of Pediatric Radiology Annual Meeting, May 2014; Washington, DC.
78. \*Koeck ES, \*Hamrick M, Qureshi FG, Nadler EP, Prevalence of Chronic Gastritis or Helicobacter pylori Infection in Adolescent Sleeve Gastrectomy Patients does not Correlate with Symptoms or Surgical Outcomes. Oral Presentation at: The 34<sup>th</sup> Annual meeting of the Surgical Infection Society; May, 2014; Baltimore, MD.
79. Mackey ER, Mintz-Romirowsky A, Tolep M, Vannucci A, **Nadler EP**. Clinical applications of the pre-surgical psychological assessment for bariatric surgery to predict long-term weight loss success: Using unexpected outcomes to inform patient care and future research. Oral Presentation at: The 122<sup>nd</sup> Annual Conference of the American Psychological Association; August, 2014; Washington, DC.
80. Jacobs M, **Nadler EP**, Mackey ER. Pre-operative Exercise as a Predictors of Weight Loss in Adolescents Following Sleeve Gastrectomy. Oral Presentation at: The Obesity Week; October, 2018; Nashville, TN.
81. \*McKenna E, \*Tashiro J, Thenappan AA, **Nadler EP**. Comparative outcomes following laparoscopic sleeve gastrectomy in adolescents with and without parents who have undergone bariatric surgery. Oral Presentation at: The 6<sup>th</sup> Annual Joseph E. Robert Jr. Academic Symposium; November, 2019; Washington, DC.
82. \*Tashiro J, Thenappan AA, **Nadler EP**. The pattern of biliary disease following laparoscopic sleeve gastrectomy in adolescents. Oral Presentation at: The 7<sup>th</sup> Annual Obesity Journal Symposium – Obesity Week; November, 2019; Las Vegas, NV.
83. \*Tashiro J, \*McKenna E, Thenappan AA, **Nadler EP**. Comparative outcomes following sleeve gastrectomy in adolescents less than 16 years of age. Oral Presentation at: The American Pediatric Surgical Association 51<sup>st</sup> Annual Meeting; May, 2020; Virtual Conference.
84. \*McKenna E, \*Tashiro J, Thenappan AA, **Nadler EP**. Comparative outcomes following laparoscopic sleeve gastrectomy in adolescents with and without parents who have undergone bariatric surgery. Poster Presentation at: The American Pediatric Surgical Association 51<sup>st</sup> Annual Meeting; May, 2020; Virtual Conference.

85. **Nadler EP.** Surgical approaches to treatment of youth with obesity and cognitive and/or behavioral diagnoses. In Symposium: Weight management in populations with cognitive and behavioral diagnoses: Reducing bias and providing high quality care at: Pediatric Academic Societies Annual Meeting. April 2023. Washington, DC.

#### Invited Lectures

86. “Advances in the Management of Pectus Excavatum”. American College of Surgeons, Southwestern Pennsylvania Chapter, Pittsburgh, PA. 2000.
87. “Advances in Minimal Access Pediatric Surgery: What can be done and what should be done”. Department of Pediatrics Grand Rounds, NYU Medical Center, New York, NY. 2005.
88. “Advances in Minimal Access Pediatric Surgery: What can be done and what should be done”. Charles B. Wang Community Health Center, New York, NY. 2005.
89. “Early Thoracoscopy for the Treatment of Children with Complicated Pneumonia”. New York Society of Pediatric Critical Care Medicine, New York, NY. 2005.
90. “Advances in Minimal Access Pediatric Surgery: What can be done and what should be done”. Department of Pediatrics Grand Rounds, Woodhull Medical Center, New York, NY. 2005.
91. “Current Management of Appendicitis in Children”. Division of Pediatric Emergency Medicine Conference, NYU Medical Center, New York, NY. 2005.
92. “Recent Trends in Pediatric Minimal Access Surgery”. Department of Pediatrics Grand Rounds, Long Island College Hospital, New York, NY. 2005.
93. “Bariatric Surgery for Morbidly Obese Adolescents”. Department of Pediatrics Grand Rounds, Cornell University Medical Center, New York, NY. 2005.
94. “Bariatric Surgery for Morbidly Obese Adolescents”. Division of Minimally Invasive Surgery Symposium, St. Luke’s, Roosevelt Hospital, New York, NY. 2005.
95. “Laparoscopic Adjustable Gastric Banding for Morbidly Obese Adolescents”. 3<sup>rd</sup> International Symposium on Minimally Invasive Surgery. Wuhan Union Hospital, Wuhan, China. 2006.
96. “Minimal Access Surgical Options for the Neonate”. New York City Health and Hospitals Corporation Perinatal Centers Conference, New York, NY. 2006.
97. “Recent Trends in Pediatric Minimal Access Surgery: Where do we Stand?”. Department of Surgery Grand Rounds, Beth Israel Medical Center, New York, NY. 2007.
98. “Bariatric Surgery for Morbidly Obese Adolescents”. Department of Pediatrics Grand Rounds, University of Medicine and Dentistry of New Jersey, New Brunswick, NJ. 2007.
99. “Bariatric Surgery for Morbidly Obese Adolescents”. Department of Pediatrics Grand Rounds, Children’s National Medical Center, Washington DC. 2007.

100. "Experimental Design and Statistics". Fundamental of Surgical Research and Career Development Course given by the AAS, 48<sup>th</sup> Annual Meeting of the West African College of Surgeons, Freetown, Sierra Leone. 2008.
101. "Bariatric Surgery for Morbidly Obese Adolescents". Department of Surgery Teaching Conference, Schneider Children's Hospital, New Hyde Park, NY. 2008.
102. "Bariatric Surgery for Morbidly Obese Adolescents". North-East Canadian Pediatric Surgery Joint Rounds, Montreal, Canada. 2008.
103. "Any Indication for Interval Appendectomy Anymore? Non-operative Management of Perforated Appendicitis". 28<sup>th</sup> Annual Meeting of the Surgical Infection Society, Hilton Head, SC. 2008.
104. "Lessons Learned from 9/11/01: NY Trauma Centers". Pediatric Disaster Preparedness and Emergency Services National Summit, Los Angeles, CA. 2008.
105. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". Future of Pediatrics Meeting, Bethesda, MD. 2010.
106. "Challenges in Managing the Morbidly Obese Adolescent". Food and Drug Administration, Center for Drug Evaluation and Research, Bethesda, MD. 2010.
107. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". Department of Pediatrics Grand Rounds, Prince William Hospital, Fairfax, VA. 2011.
108. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". Canadian National Obesity Summit, Montreal, Canada. 2011.
109. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". Endocrine Society Annual Meeting, Boston, MA. 2011.
110. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". National Medical Association Annual Meeting, Washington DC. 2011.
111. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". Department of Surgery Grand Rounds, Washington Hospital Center, Washington, DC. 2012.
112. "Pediatric Obesity: Medical Management and Surgical Treatment Options". Center for Autism Spectrum Disorders Conference. Children's National Medical Center, Washington DC. 2012.
113. "Systems Biology of Obesity". Division of Nephrology Grand Rounds. The George Washington University School of Medicine, Washington DC. 2013.
114. "Where Should Adolescent Bariatric Surgery Happen and Who Should Do It?". American College of Surgeons Annual Meeting, San Francisco, CA. 2014.
115. "Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents". Department of Pediatrics Grand Rounds, Goryeb Children's Hospital, Morristown, NJ. 2015.

116. “Update on Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. Division of Endocrinology Grand Rounds, The George Washington University School of Medicine, Washington, DC. 2015.
117. “Controversies in Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. Clinical and Translational Science Institute Point-Counterpoint, Children’s National Medical Center, Washington, DC. 2015.
118. “Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. American Gastroenterology Association’s 2018 Freston Conference. Washington, DC. August 2018.
119. “Bariatric Surgery for Children with Neurocognitive Disorders” Clinician Update: Current Care of the Bariatric Patient, PA Chapter of the ASMBS, Hershey, PA. September 2018.
120. “Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. Mohsen Ziai Pediatric Conference, Tysons Corner, VA, November 2019.
121. “Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. Mohsen Ziai Pediatric Conference, Virtual Presentation, November 2020.
122. “Laparoscopic Sleeve Gastrectomy for the Treatment of Obesity in Children with Special Needs”. Overcoming Obesity Conference 2022, Anaheim, CA October, 2022.

c) **International Presentations:**

1. **Nadler EP**, Zhou X, Upperman J, Alber S, Watkins S, Ford HR. Gram Positive Cell Wall Components Promote Gut Barrier Failure and Bacterial Translocation. Oral Presentation at: The 4<sup>th</sup> International Shock Congress and 22<sup>nd</sup> Annual Conference on Shock; June, 1999; Philadelphia, PA.
2. Upperman JS, Friend C, **Nadler EP**, Hoffman R, Ford HR. Peroxynitrite Induces Enterocyte Apoptosis *In Vitro*: Implication for NO-Mediated Gut Barrier Failure. Oral Presentation at: The 4<sup>th</sup> International Shock Congress and 22<sup>nd</sup> Annual Conference on Shock; June, 1999; Philadelphia, PA.
3. Upperman JS, Kibbe M, Hoffman R, **Nadler EP**, Ford HR. *In Vitro* Adenoviral Gene Transfer of Nitric Oxide Synthase in Intestinal Epithelial Cells. Oral Presentation at: The British Association of Pediatric Surgeons, XLVI Annual International Congress; July, 1999; Liverpool, UK.
4. Stanford A, **Nadler EP**, Zhang XR, Schall LC, Upperman JS, Ford HR. Analysis of Guanosine-Cyclohydrolase (GT-CHP), IL-8 and IL-12 Gene Expression in Necrotizing Enterocolitis (NEC). Oral Presentation at: The British Association of Pediatric Surgeons, XLVII Annual International Congress; July, 2000; Sorrento, Italy.
5. Vazzana A, Youn H, Huang K, Miller Brotman L, Hirsch G, **Nadler E**, Ren C, Fielding G. Health and Mental Health Functioning in Adolescent Lap-Band Surgery Patients. Oral Presentation at: The International Conference on Eating Disorders; May, 2007; Baltimore, MD.
6. Ferrante S, **Nadler EP**, Wang Z, Hubal M, Pillai D, Sevilla S, Wiles A, Anderson J, Freishtat RJ. Adipocyte Exosomal miRNAs May Mediate the Effects of Obesity on Lung Disease. Oral Presentation at: American Thoracic Society International Conference; May, 2013; Philadelphia, PA.

7. Ferrante SC, Ingram JL, **Nadler EP**, Hubal MJ, Seo J, Giri M, Jung D, Pillai DK, Wang JM, Freishtat RJ. Asthmatic Airway Fibroblasts: TGFβ Receptor Signaling is Up-regulated after Obese Visceral Adipose Exosome Exposure. Oral Presentation at: American Thoracic Society International Conference; May' 2015; Denver, CO.
8. Epstein, SB, Ghose S, Harmon B, **Nadler EP**, Barberio MD, Goldberg, M, Maltz L, Freishtat RJ. TGF-β Genes in Obese Asthmatics have Altered Expression Profiles Compared to Lean Asthmatics. Oral Presentation at: American Thoracic Society International Conference; May, 2017; Washington, DC.

Invited Lectures

9. “Childhood Obesity and Metabolic Consequences”. Arab Health Congress, Dubai, UAE. 2011.
10. “Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. World Health Care Congress, Abu Dhabi, UAE. 2011.
11. “Update on Adolescent Bariatric Surgery”. Inaugural Gulf Obesity Surgery Society Meeting, Kuwait City, Kuwait. 2013
12. “Update on Adolescent Bariatric Surgery”. Department of Surgery Grand Rounds, Zayed Military Hospital, Abu Dhabi, UAE. 2013.
13. “Metabolism Associated with BMI and Impaired Fasting Glucose in Emirati Children and Adolescents”. Grand Rounds, Imperial College of London Diabetes Center, Abu Dhabi, UAE. 2013.
14. “Bariatric Surgery in Pre-teens: Should we do it?”. 2nd Annual Gulf Obesity Surgery Society, Dubai, UAE. 2014.
15. “Bariatric Surgery for the Treatment of Morbid Obesity in Adolescents”. Distinguished Visitor, Royal Australasian College of Surgeons. Bangkok, Thailand. May 2019.
16. “Bariatric Surgery for Children and Adolescents with Severe Obesity.” Updates on Pediatric Surgery, International Center for Professional Development. Virtual Symposium, November 2022.

**6) PROFESSIONAL REGISTRATIONS, LICENSES, CERTIFICATIONS**

New York	204884	Issued: November 7, 1996 (inactive)
Pennsylvania	419867	Issued: November 22, 2002 (inactive)
Washington, DC	038279	Issued: August 12, 2009
Maryland	D0070982	Issued: June 11, 2010
Virginia	0101270020	Issued: June 23, 2020
General Surgery, American Board of Surgery		Issued: October 29, 2003 Recertification Expiration: December 31, 2024

## 7) GRANTS AWARDED OR PENDING

### Current

1. Title of Grant: "The Role of Gut Microbiota in Children and Adolescents Undergoing Laparoscopic Sleeve Gastrectomy"  
Funding Agency: Thrasher Research Fund Early Career Award  
Dates of Award: 01/01/2022-12/31/2023  
Yearly Direct Costs: \$26,750  
Role: Co-Mentor
2. Title of Grant: "The Role of Gut Microbiota in Children and Adolescents Undergoing Laparoscopic Sleeve Gastrectomy"  
Funding Agency: Research in Academic Pediatrics Initiative on Diversity (RAPID), American Pediatric Association  
Dates of Award: 5/1/2022-4/30/2023  
Yearly Direct Costs: \$15,000  
Role: Co-Mentor
3. Title of Grant: "The Role of Gut Microbiota in Children and Adolescents Undergoing Laparoscopic Sleeve Gastrectomy"  
Funding Agency: NIH/NIDDK Loan Repayment Program (LRP) Award  
Dates of Award: 8/1/2022-7/31/2024  
Yearly Direct Costs: \$100,000  
Role: Co-Mentor

### Pending

4. Title of Grant: "Feasibility of a randomized trial for the treatment of pediatric severe obesity"  
Funding Agency: NIH/NIDDK  
Dates of Award: June 5, 2023 submission  
Role: Co-I, Site-PI

### Completed

5. Title of Grant: "Mechanism of Nitric Oxide-mediated Enterocyte Apoptosis"  
Funding Agency: Surgical Infection Society Research Fellowship Award  
Dates of Award: 1999-2000  
Yearly Direct Costs: \$35,000  
Role: PI  
% Effort: 100%
- 6.. Title of Grant: "Nitric Oxide in the Regulation of Gram-Positive Sepsis"  
Funding Agency: Children's Hospital of Pittsburgh Seed Money Grant

- |     |                      |   |
|-----|----------------------|---|
|     | Dates of Award:      | 1999-2000   |
|     | Yearly Direct Costs: | \$10,000  |
|     | Role:                | PI  |
|     | % Effort:            | 10%   |
| 7.. | Title of Grant:      | “Carbon Monoxide in the Treatment of Pulmonary Hypertension”  |
|     | Funding Agency:      | Children's Hospital of Pittsburgh Seed Money Grant  |
|     | Dates of Award:      | 2003-2004   |
|     | Yearly Direct Costs: | \$10,000  |
|     | Role:                | PI  |
|     | % Effort:            | 10%   |
| 8.  | Title of Grant:      | “A prospective, open-label study to evaluate the safety and efficacy of Lap-Band Adjustable Gastric Banding in the Treatment of Morbidly Obese Adolescents” |
|     | Funding Agency:      | The Harris Foundation   |
|     | Dates of Award:      | 2005-2009   |
|     | Yearly Direct Costs: | \$400,000   |
|     | Role:                | Co-I  |
|     | % Effort:            | 15%   |
| 9.  | Title of Grant:      | “The Role of TGF- $\beta$ in the Pathogenesis of Experimental Biliary Atresia”  |
|     | Funding Agency:      | American College of Surgeons Faculty Research Fellowship  |
|     | Dates of Award:      | 2007-2009   |
|     | Yearly Direct Costs: | \$40,000  |
|     | Role:                | PI  |
|     | % Effort:            | 75%   |
| 10. | Title of Grant:      | “Laparoscopic Adjustable Gastric Banding (LAP-BAND®) as a Treatment of Morbid Obesity in Adolescents.”  |
|     | Funding Agency:      | Inamed Health Corporation   |
|     | Dates of Award:      | 2007-2011   |
|     | Yearly Direct Costs: | \$180,000   |
|     | Role:                | Co-I  |
|     | % Effort:            | 15%   |
| 11. | Title of Grant:      | “The Role of TGF- $\beta$ in the Pathogenesis of Experimental Biliary Atresia”  |
|     | Funding Agency:      | NIH/NIDDK (#K08DK083769)  |
|     | Dates of Award:      | 2008-2014   |
|     | Yearly Direct Costs: | \$124,000   |
|     | Role:                | PI  |
|     | % Effort:            | 75%   |
| 12. | Title of Grant:      | “Systems Biology of Extreme Weight Loss”  |
|     | Funding Agency:      | Sheikh Zayed Institute for Pediatric Surgical Innovation  |
|     | Dates of Award:      | 2010-2013   |
|     | Yearly Direct Costs: | \$334,056   |
|     | Role:                | Co-I  |
|     | % Effort:            | 10%   |

13. Title of Grant: “Genetic Influences on Depot-specific adipose tissue remodeling with Obesity”  
Funding Agency: CTSA-UL1RR031988  
Dates of Award: 2011-2012  
Yearly Direct Costs: \$49,900  
Role: Co-I  
% Effort: 5%
14. Title of Grant: “Genetic Basis of Surgical Weight-loss Outcomes”  
Funding Agency: Sheikh Zayed Institute for Pediatric Surgical Innovation  
Dates of Award: 2011-2014  
Yearly Direct Costs: \$384,817  
Role: PI  
% Effort: 20%
15. Title of Grant: “Obesity in Asthma: Adipocyte Exosomes Mediate TGF-  $\beta$  Signaling in Airway Epithelium”  
Funding Agency: CTSA-UL1RR031988  
Dates of Award: 2013-2014  
Yearly Direct Costs: \$40,000  
Role: Co-PI  
% Effort: 10%
16. Title of Grant: “Age and Ethnicity-related Differences in Adipose-Specific Inflammation”  
Funding Agency: Sheikh Zayed Institute for Pediatric Surgical Innovation  
Dates of Award: 2013-2014  
Yearly Direct Costs: \$111,538  
Role: Co-I  
% Effort: 10%
17. Title of Grant: “Adipose Exosomal miRNAs Drive Insulin Sensitivity Following Surgical Weight Loss.”  
Funding Agency: Children’s Research Institute Bridge Funding  
Dates of Award: 2014-2015  
Yearly Direct Costs: \$100,000  
Role: PI  
% Effort: 50%
18. Title of Grant: “Effect of bariatric surgery in pediatric obesity on brain and cognition”  
Funding Agency: NIH/NIDDK (1R56DK104644)  
Dates of Award: 2015-2016  
Yearly Direct Costs: \$150,000  
Role: Co-I  
% Effort: 5%
19. Title of Grant: “Maternal Adipocyte-Derived Exosomes in the Thin-Fat Indian Baby Paradox”  
Funding Agency: NIH/Fogarty International Center  
Dates of Award: 2018-2020

Yearly Direct Costs: \$203,675  
Role: Co-I  
% Effort: 2%

#### Clinical Trials/Contracts:

1. Title: A Phase 3, Randomized, Placebo-Controlled, 60-Week Trial to Evaluate the Efficacy and Safety of Setmelanotide in Patients with Hypothalamic Obesity  
Funder: Rhythm Pharmaceuticals  
Dates of Award: Pending site visit June 2023.  
Role: Site-PI

#### Open IRB Protocols:

1. Phase II Trial of Liraglutide in Adolescents with Obesity After Sleeve Gastrectomy
2. Bariatric Surgery Biobank
3. Age and ethnicity-related differences in adipose-specific inflammation
4. Bariatric Surgery Research Registry.

#### Patents and Pending Patents

1. Freishtat RJ, **Nadler EP**, Ferrante S, Hubal M. US15/580,047: (PCT/US2016/36880) Adipocyte-Derived Exosomes, and Compositions, Kits, and Methods of Using the Same for Detection and Screening. Issued 2021.

### 8) **SOCIETIES AND APPOINTMENTS/HONORS**

#### Societies

2000-2004	Shock Society, Student Member
2002-2004	American College of Surgeons, Candidate Group
2004-2007	American College of Surgeons, Associate Member
2007-Present	American College of Surgeons, Fellow
2003-2017	Surgical Infection Society, Member
2004-2007	Surgical Infection Society - Informatics Committee, Member
2009-2010	Surgical Infection Society - Fellowship Committee, Member
2011-2014	Surgical Infection Society - Fellowship Committee, Chair
2014-2017	Surgical Infection Society - Audit Committee, Chair
2003-2014	Association for Academic Surgery, Member

2007-2009	Association for Academic Surgery - Institutional Representative, NYU
2007-2009	Association for Academic Surgery- Membership Committee
2007-2008	Association for Academic Surgery – Development Committee
2008-2010	Association for Academic Surgery - Global Affairs Committee, Co-Chair
2009-2011	Association for Academic Surgery, Deputy Treasurer
2004-2017	International Pediatric Endosurgery Group, Member
2004-2017	Society of American Gastrointestinal Endoscopic Surgeons, Member
2008-2009	Society of American Gastrointestinal Endoscopic Surgeons - Pediatric Liaison Committee, Member
2006-2010	Children’s Oncology Group, Member
2007-Present	American Pediatric Surgery Association, Member
2011-2014	American Pediatric Surgery Association, Informatics/Telemedicine Committee, Member
2006-2009	American Pediatric Surgery Association, Founding Member, Ad Hoc Committee on Childhood Obesity
2007-Present	American Academy of Pediatrics, Surgical Section, Member
2008-2010	New York Surgical Society, Member
2010-Present	Society of University Surgeons, Member
2015-2018	Society of University Surgeons, NABR Representative
2016-Present	The Obesity Society, Member

### Appointments

2006-2007	New York State Centers for Bioterrorism Preparedness Planning- Pediatric Task Force
2007-2009	Children’s Hospital of Los Angeles Pediatric Disaster Resource & Training Center- National Advisory Board
2010-2016	Senator Kirsten Gillibrand's (NY) Healthy Children Working Group- Member

### Honors

- 1998 “Management of Blunt Pancreatic Injury in Children”, American College of Surgeons, Pennsylvania Committee on Trauma. Resident Trauma Paper Competition, 2nd Place.
- 1999-2000 “Mechanism of Nitric Oxide-mediated Enterocyte Apoptosis”. Surgical Infection Society Research Fellowship Award.
- 2007-2008 “The Role of TGF- $\beta$  in the Pathogenesis of Experimental Biliary Atresia”. American College of Surgeons Faculty Research Fellowship.

Journal Reviewer

1. Ad Hoc Reviewer for (in no particular order):
  - a. Journal of Pediatric Surgery
  - b. Journal of Surgical Research
  - c. Surgery
  - d. Annals of Surgery
  - e. Journal of the American College of Surgeons
  - f. Pediatrics
  - g. Surgery for Obesity and Related Disorders
  - h. The Lancet Child and Adolescent Health

**9) ADMINISTRATIVE DUTIES & UNIVERSITY ACTIVITIES**

- 2004-2009 NYU Medical Center - Minimally Invasive Pediatric Surgery, Director
- 2004-2009 NYU Medical Center - Patient Safety Sub-Committee, Member
- 2004-2009 NYU Department of Surgery - Quality Assurance Committee, Member
- 2005-2009 NYU Medical Center - Eclipsys Implementation Clinical Advisory Committee, Member
- 2007-2009 NYU Medical Center - Institutional Review Board, Member
- 2009-2018 Children’s National Hospital - Committee for Care of Patients with Obesity, Chair and Founder
- 2009-Present Children’s National Hospital- Co-Director, Children’s National Obesity Programs
- 2009-Present Children’s National Hospital-Director, Child and Adolescent Weight-loss Surgery Program
- 2011-Present Children’s National Hospital - Institutional Review Board, Member
- 2012-2014 Children’s National Hospital- Medical Executive Committee, Member
- 2014-2016 Children’s National Hospital- Physician Extender Supervisor, Division of General and Thoracic Surgery
- 2014-2020 Children’s National, Hospital- Credentials Committee, Member

2022- Present Associate Editor, Frontiers in Obesity

## 10) EDUCATIONAL ACHIEVEMENTS

### a) Courses Taught (add Table)

- 1) Pediatric Surgery Only the Essentials - “Fluid, Electrolytes, and Nutrition”, Children’s National Hospital Washington DC, 2012-2020
- 2) Pediatric Surgery Only the Essentials “Bariatric Surgery”. Children’s National Hospital, Washington DC, 2012-2020.
- 3) NIH Endocrinology Board Review Course - “Bariatric Surgery and Resolution of Insulin Resistance/T2DM”. Bethesda, MD. 2013.

### b) New Courses or Programs Developed

- 2005-2009 NYU General Surgery Laparoscopic Curriculum (2-3 lectures each subsequent year after 2005), Creator
- 2008-2010 Association of Academic Surgery Fundamentals of Research and Career Development Course for West Africa, (3-5 lectures/course). Freetown, Sierra Leone Abuja, Nigeria, Co-Director and Co-Creator
- 2010-2020 Adolescent Bariatric Surgery: Techniques and Program Development 2-day visit by Pediatric Surgeon to Children’s National Hospital, and return 2-day visit at attendee’s local hospital, Mentor

### c) Students or Post-Doctoral Fellows served as Primary Advisor

#### ***Medical Students Mentored at NYU:***

Seema Pursnani  
Danielle Patterson  
Isaac Ezon  
Nathan Zilbert  
Emily Stamell  
Shivani Reddy  
Julia Finkelstein

#### ***Surgery Residents Mentored at NYU:***

Avraham Schlager

#### ***Surgery Residents Mentored at CNMC:***

Emily Koeck  
Ashanti Franklin

#### ***Surgery Fellows Mentored at CNMC:***

Allison Speer  
Eric Jellin  
Jun Tashiro  
Elise McKenna  
Kibileri Williams  
Adil Shah

***Endocrinology Fellow Mentored at CNMC:***

Anna Zenno

***Gastroenterology Fellow Mentored at CNMC:***

Cynthia Akagbosu

Educational Awards:

2009 Candidate for School of Medicine's nominee to the All-University Selection Committee for the Distinguished Teaching Award.

Student or Participant Evaluations: (MOVE to TEACHING EFFECTIVENESS Section)

***Emails from select attendees for Adolescent Bariatric Surgery training:***

1. Dear Evan- Thank you so much for coming down to provide support to our team as we start our surgical program! Your insights are so valuable to us.
2. Hi Evan, Thank you for taking time off your busy schedule to help me gain some first-hand experience with regards to the sleeve procedure. I was very impressed with the skillful and smooth way in which the operation was carried out at your center.

**11) CONSULTANT APPOINTMENTS**

1. Paid Consultant for WL Gore, Inc to evaluate new surgical stapler buttress device.
2. Funded by WL Gore, Inc to train pediatric surgeons on the technique of laparoscopic sleeve gastrectomy and how to create an adolescent bariatric surgery program.
3. Paid Advisory Board Member for Rhythm Pharmaceuticals.
4. Paid Advisory Board Member for Novo Nordisk

**12) SERVICE TO COMMUNITY**

2013-2017 DC Youth Sports Network, Advisory Board (volunteer position)

2015-2021 DC Stoddert Soccer, Advisory Board (volunteer position)

2020-2021 DC Stoddert Soccer, Chairman of the Board (volunteer position)
